A portable ball locker, 6 playground balls, 2 basketballs, 1 football and 1 soccer ball were ordered with these points. Thanks to all who shopped at Vinkier's grocery store in Wadham's and left their receipts there in the box or turned in receipts to hospitality. A VERY successful campaign.

Attention 11th and 12 Grade Students: **Ordering transcripts for college goes online**

This year something's missing from the registrar's office. The phone isn't ringing, students aren't coming in the door, and the forms for ordering transcripts are gone. Why? Because the school office has put the system for ordering transcripts where students want it: on the Web. Thanks to a new service called Secure Transcript™, you can now request transcripts online, and have them sent directly to colleges. All you'll have to do is look for the **Secure Transcript** link on the school website and log in. **Secure Transcript™** is provided by Docufide, Inc, which takes care of sending out official transcripts, checked and approved by the school, to the colleges and scholarship funds you choose. You'll get an email when each transcript is sent, and for colleges that accept transcripts electronically, when they receive it as well. So if you're applying to college this year, you'll find transcripts are one less thing you have to worry about.

Attention Parents/Guardians of 8th Grade Students.

This is the first year that we will be organizing an 8th Grade Banquet to celebrate the advancement of our 8th grade students to high school. We are hoping to make this an annual event.

We are in the process of confirming arrangements at this time and more information will be sent directly to 8th grade families.

Remember that there will not be an 8th grade graduation this year.
