

Landmark Academy Elementary School

February Newsletter 2012

For Your Information:

Please visit our website regularly to see our most recent updates

Parents, please review our school handbook **Dress Code** section with your child(ren). Our Dress Code is part of what makes Landmark Academy different. It is very important for the success of our school that all students are following dress code procedures.

Dress for the weather! Students will go outside for recess unless the wind chill is 19 degrees or less. Please make sure that your child is properly dressed for the weather. Hats, mittens, scarves, snow pants and warm boots are a necessity in cold weather.

Parents, remember to **call in to the attendance office** before 9:00 a.m. when your student will be absent. Otherwise, students will be marked unexcused on the attendance roster.

OUR MISSION:

Landmark Academy, recognizing the unique giftedness of the individual student, will work in cooperation with parents and the community to provide a nurturing and challenging environment that encourages academic excellence, character development, and a love for lifelong learning.

Students will arrive at 11:30 a.m. and be
dismissed at the normal times.**

Be a Champion and Read

The March of Dimes offers elementary age students an opportunity to improve their basic reading skills and, at the same time, develop an important sense of volunteerism by raising funds that will enable the March of Dimes to prevent birth defects, premature birth, and infant mortality. Students raise pledges for each book they read, and the March of Dimes awards them with a certificate and an Olympic style medal. (Medal is based on the number of books they read.) The event will begin with the Presentation Assembly on February 16th at 9:00 a.m. in the MS/HS auditorium and concludes with an Awards Assembly on May 24th. If you have any questions please call the March of Dimes, Michigan Chapter at 810-982-0177.

Acad

The "Mr. Earl" Fundraiser was a great success!

The elementary students turned in over 1,800 addresses for Mr. Earl's address campaign. Students who completed a full booklet were entered into a drawing for a remote control robot and a razor scooter.

Congratulations to the Winners –
Madeline Schott from Mrs. Lapp's class
and
Zayne Hull from Mrs. Fagan's class.

A big thank you goes out to all the students and parents that provided the addresses for this fundraiser.
Proceeds benefit the elementary Reading Program
